ACCAS2025
Fukuoka, Japan

Prototype

Demo

Session

Call for Prototype Demonstration

Showcase your cutting-edge lab prototypes!

General Information

This session brings together leading medical robotic groups across Asia, providing a platform to unveil inventive concepts across various medical robot platforms.

Applications are open to a variety of focus areas, and demonstrations will be evaluated based on their Application · Innovation · Design.

The most outstanding demonstration will be awarded at the closing ceremony.

Focus Area

· Surgical Robotics and Instrumentation
· Rehabilitation and Care Robot
· VR/AR/MR in Medicine
· Other related ACCAS area

How to Submit

Please submit one-page abstract that includes the following information:

- Title
- List of Authors (All participants)
- Affiliation
- Abstract (200-250 words)
- Relevant pictures

One-page abstract will be peer-reviewed and published in the proceedings
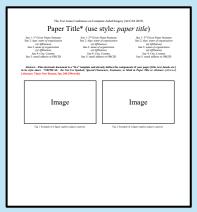

Submission Deadline
July 31, 2025
Acceptance Notification
~~August 1, 2025~~ August 8, 2025
Registration Deadline
August 15, 2025
