

Call for Papers

Pulsed Power Special Issue for EAPPC/BEAMS/EML 2026

The journal Pulsed Power invites all attendees of the 11th Euro-Asian Pulsed Power Conference (EAPPC 2026), the 26th International Conference on High-Power Particle Beams (BEAMS 2026), and the 21st International Symposium on Electromagnetic Launch Technology (EML 2026) to submit their manuscripts to this Special Issue dedicated to this conference. We welcome original research and review articles covering all aspects of pulsed power.

All submissions will undergo a rigorous double-blind peer review process to ensure the scientific quality and fairness.

Submission Site: <https://www.editorialmanager.com/pup/Default.aspx>

Submission Deadline: December 31, 2026

Guest Editor: Weihua JIANG, Nagaoka University of Technology

About the Journal

Pulsed Power (diamond OA) aims to provide a premier international platform for academic exchange, foster cross-disciplinary collaboration, stimulate innovation, and promote continuous development in the field of pulsed power.

Editor-in-Chief: Jianjun DENG, Institute of Fluid Physics, CAEP

Co-Editor-in-Chief: Georg MÜLLER, Karlsruhe Institute of Technology

Executive Editor-in-Chief: Meng WANG, Institute of Fluid Physics, CAEP

Associate Editors:

Weihua JIANG, Nagaoka University of Technology

Chuanxiang TANG, Tsinghua University

Luís REDONDO, Lisbon Engineering Superior Institute

Xiaobing ZOU, Tsinghua University
