

## Young Researchers Grants

Financial Support for Students/Young researchers.

Limited financial support to promote students/young researchers from abroad will be available. For supported participants, the registration fee and the necessary VISA application fee will be waived.

To be eligible for this program, applicants must:

1. Be a student (PhD, Master, or Bachelor) enrolled in a university program, or a postdoc within three years after receiving their PhD degree.
2. Live out of Japan.
3. Present their own research during the conference.
4. Submit a conference proceeding on their research.
5. Be able to attend the entire conference.

Applications should be sent to [sces2026@pcojapan.jp](mailto:sces2026@pcojapan.jp) with the following information:

- ① General information (name, abstract submission number, date of birth, affiliation).
- ② A brief letter explaining the need for financial support.
- ③ A reference letter from advisor, department, or institution that confirms their position, research activities, and financial need.

The deadline for applications is **Wednesday July 15, 2026**.

All successful applicants will be notified thereafter.
