

■ Submission procedure for a paper for a special issue of PASREG2025 (IEEE TAS).

1) Click the link (Submit manuscript to regular issue) in <https://ieeetcsc.org/publication/ieee-tas>.

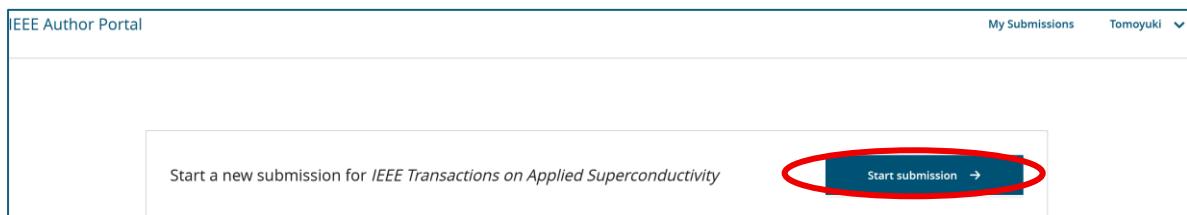

The screenshot shows the IEEE CSC website for the IEEE Transactions on Applied Superconductivity. The 'Quick Links' sidebar on the left includes a link to 'Submit manuscript to regular issue', which is highlighted with a red circle. The main content area displays the journal's title, 'IEEE Transactions on Applied Superconductivity', and various metrics like Impact Factor (1.7) and CiteScore (3.5). A portrait of the Editor-in-Chief, Min Zhang, is shown on the right.

2) Sign in to the submission site.

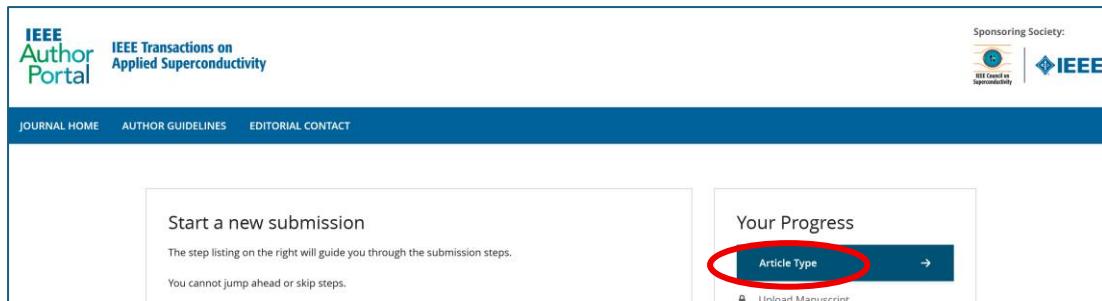

The image shows the IEEE Author Portal sign-in process. The left panel shows the 'Create an IEEE Account' form with a red circle around the 'Sign In' link for users who already have an account. The right panel shows the 'IEEE - Sign in to access the secure content' page, with a red circle around the 'Create Account' button for new users.

3) Click "Start submission".

The screenshot shows the IEEE Author Portal interface. A red circle highlights the 'Start submission' button, which is located at the bottom right of the page. The text 'Start a new submission for IEEE Transactions on Applied Superconductivity' is visible above the button.

4) Click 'Article Type' and select "PASREG2025" (You can find "PASREG2025" in the last line).

The screenshot shows the IEEE Author Portal interface. On the left, there's a 'Start a new submission' section with a note: 'The step listing on the right will guide you through the submission steps.' and 'You cannot jump ahead or skip steps.' On the right, there's a 'Your Progress' section with a 'Article Type' button. The 'Article Type' button is circled in red.

The screenshot shows the 'Article Type' selection page. The question 'What kind of manuscript are you submitting?' is at the top. Below it is a dropdown menu labeled 'Article Type' with the following options: 'SPARC TFMC Special Section', 'MEM24', 'Special Issue on Solenoid Magnet (MARCO) for the EIC ePIC Detector Solenoid', 'Special issue for Low Temperature Detectors 2025', and 'PASREG2025'. The 'PASREG2025' option is circled in red. At the bottom of the page are links for 'Atypon Privacy policy', 'Terms & Conditions', 'Contact us', 'Help', and 'Cookie Preferences'.

5) Proceed with the submission procedure step by step.
