Session Category

While we strive to accommodate your preferences of selected category, we appreciate your understanding if we cannot meet all expectations.

Preference **Required** Unselected

- Unselected
- A. Instrumentation and New Techniques
- B. Condensed Matter Physics**
- C. Materials Science and Solid State Chemistry
- D. Fluid Properties/Fluid Reactions
- E. Biology and Food Sciences
- F. Earth and Planetary Science
- G. Dynamic Compression
- H. Superconductivity in Hydrides (Focused Session)
- I. Nanopolycrystalline Materials (Focused Session)
- J. High Pressure Deformation (Focused Session)

*The alphabet letter of the topic category must match with the session category letter.

e.g., Session Category: **B. Condensed Matter Physics**

⇒ The topic must be selected from **B-1 through B-12**.

Topic

Please select the topics according to the session category you selected.

Preference 1 **Required** Unselected

Preference 2 **Optional** Unselected

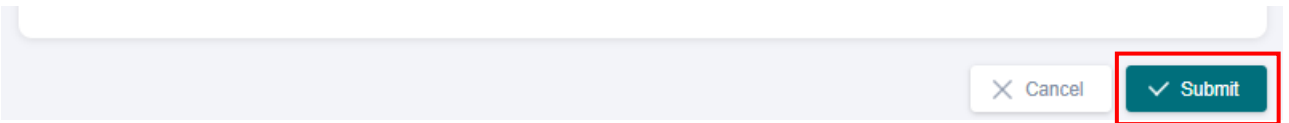

Preference 3 **Optional** Unselected
