

Guide for presenters

Plenary Lecture

Plenary Lecture (30 min) includes Q&A (5 min).

The screen size of the presentation slide is 16: 9.

Connection to the projector uses HDMI.

Invited Talks

Invited talks (20 min) includes Q&A (3 min).

The screen size of the presentation slide is 16: 9.

Connection to the projector uses HDMI.

Long Talks

Long Talk (10 min) includes Q&A (2 min).

The screen size of the presentation slide is 16: 9.

Connection to the projector uses HDMI.

Short Talks

Short Talk (5 min or 3 min as individually indicated) does not include Q&A.

The screen size of the presentation slide is 16: 9.

The slide file is PDF format only. Multiple pages are allowed.

The file name of your PDF should have the presentation No. and your surname (ex. P1_100_Smith). Save the file in USB and bring it to the PC operator before your session (ex. early morning or break time before your session).

To ensure qualified presentations in our limited time, we would like to collect the PDF files to one PC. We are grateful if you would cooperate this as long as possible. All the data will be deleted from the PC after the presentation.

Poster Presentations

The poster board size is W90 cm x H210 cm.

The poster should have the Poster number (ex. P1_100) at the top space.

For presentation on Nov. 19, posters can be displayed from 13:00 on Nov. 18 and should be removed by 21:30 on Nov. 19. Note that the venue will be locked at 22:00.

For presentation of Nov. 21, posters can be displayed from 8:00 on Nov. 20 and should be removed by 21:30 on Nov. 21. Note that the venue will be locked at 22:00.
