Prospectus

The 12th Asian Association of Schools of Pharmacy (AASP) Conference 2025 Japan August 2 - 4

Asian Association of Schools of Pharmacy (AASP) founded in April 2001, aims to promote the development of Pharmacy Education and Research in Asia.

Since the establishment of the Association, the Conference and the Pharmacy Education Forum have been held alternately every year. The 12th conference will be hosted by Nihon Pharmaceutical University (Ina Town, Saitama Prefecture, Japan) from August 2 to 4, 2025. This is the first time that the association has held such a conference in Japan (though a forum was held at Keio University in June 2014).

AASP 25th anniversary will be celebrated during the above conference, many famous pharmaceutical and medical experts as well as guests from Japan and Asia will attend this conference. The AASP president Dr. Daryono Hadi Tjahjono (Bandung Institute of Technology, Indonesia) with all our members warmly welcome you to join us.

For more information, please check the Asian Association of Schools of Pharmacy's website (<https://www.aaspnet.org/>) and the conference website (<https://smartconf.jp/content/aasp2025/>).
