WELCOME TO URSI-JRSM 2026

2026 URSI-Japan Radio Science Meeting (URSI-JRSM 2026) to be held in Tokyo on 2 - 3 March, 2026.

The URSI-Japan Radio Science Meeting (URSI-JRSM) is the URSI conference organized by the Japan National Committee of URSI (JNC-URSI). The URSI-JRSM provides a regional scientific forum for radio scientists and engineers in Japan and the Asian region. The objective of the Meeting is to review current research trends, present new discoveries, and make plans for future research and special projects in all areas of radio science, and a particular emphasis is placed on enhancing the visibility of URSI in the Asian countries and encouraging young scientists to contribute to various URSI activities.

The "2026 URSI-Japan Radio Science Meeting" (URSI-JRSM 2026) is the fourth URSI-JRSM and will have a scientific program consisting of Keynote Lectures and Invited Talks by outstanding scientists, Oral Sessions and a Poster Session for contributed papers. The topics of the Meeting cover all the 10 URSI Commissions.
