

Create Your Own Aroma & Discover Japan’s Finest Woodcarving Town

Awaken your senses with a bespoke fragrance experience at CANO, where you'll create your own signature aroma from a wide selection of essential oils, including locally sourced camphor wood essence.

Stroll through the historic town of Inami, renowned as Japan’s finest woodcarving village. Visit artisan workshops and explore the magnificent Zuisenji Temple, celebrated for its extraordinary wood carvings. Blending fragrance, craftsmanship, and history, this immersive experience offers a deeper appreciation of Japan's rich cultural heritage.

Custom Aroma Blending Experience

Stroll Through Japan's Renowned Woodcarving Town

Visit Zuisenji Temple

A historic temple with over 600 years of history, renowned for one of the largest wooden temple complexes in the Hokuriku region and the exquisite craftsmanship of Inami woodcarving.
